# Close Protection Course

## Course content

As well as the core competencies listed below, 3rg provides an enhanced Surveillance module and a **Hostile Environment** module, an essential part for the **Hostile Environment Close Protection Operator (HECPO)** operating in challenging theatres abroad.

## Why 3rg?

With 25 years of Close Protection training & operational experience, within both the military and commercial sector, we are ideally suited to give students the specific knowledge base required to operate effectively in Executive & Hostile Environments.

## Assessment

Candidates are progressively assessed throughout the course on each practical element of training and given constant feedback. Candidates will also have to pass multiple choice on-line examinations.
